Minutes:

COUNCILWOMAN TARKANIAN noted that this restaurant had received special concessions when it received initial approval to serve alcohol. She expressed concern with the location's proximity to schools and a park and recommended that the license be denied.

JIM DiFIORE, Manager of Business Services, informed COUNCILWOMAN TARKANIAN that a denial of the license would prevent the applicant from applying for a beer and wine license at any other location for one year. She modified her motion to allow for the sale of beer and wine with food.
